

Legend and scale information for the site plan.

- Top Section:** A row of symbols including the Cyrillic letter 'А' and 'К', and a symbol resembling a three-pronged fork (⌘).
- Color Legend:** A series of colored rectangles and lines corresponding to different land use types. Colors include orange, yellow, pink, light green, dark green, brown, purple, blue, and grey.
- Line Style Legend:** A series of lines with different dash patterns (solid, dashed, dotted, long-dashed) representing different types of boundaries or roads.
- Scale and Orientation:** A compass rose and a scale bar (partially obscured) are present on the left side of the legend area.
- Symbol Legend:** A series of symbols including circles, squares, and rectangles with internal markings, likely representing specific buildings or features.
- Text Legend:** A series of text blocks and symbols, including the Cyrillic letter 'А' and 'К', and various combinations of these letters and symbols, likely representing specific types of buildings or plots.
